

Terms and Conditions of Sale

Business Trading Name: Project 55 Motors

Contact: project55motors.co.uk

1. About the Sale

- All vehicle inspections, discussions, agreements and payment are completed **face-to-face**.
- Project 55 Motors does **not** offer distance selling or remote purchase options.
- The buyer acknowledges that the **Consumer Contracts (Distance Selling) Regulations** do not apply, and there is **no 14-day change-of-mind return period**.
- The agreement to purchase this vehicle is formed at the time of signing these terms in person.
- Payment made at a later date does not alter the in-person nature of this contract.

2. Used Vehicle Acknowledgement

The buyer understands that:

- The vehicle is **used**, not new.
- Reasonable wear consistent with its **age, mileage and history** may be present.
- Consumable items such as **tyres, brakes, bulbs, exhaust corrosion, clutch wear, batteries, fluids and cosmetic imperfections** are expected with used vehicles and may not be covered by fault return rights.

3. Consumer Rights Act 2015 (Legal Rights)

Nothing in these terms removes the buyer's legal rights.

- If a fault is present at the time of purchase, the buyer may request a remedy.
- Within the first **30 days**, the buyer may request a repair, replacement or refund if a qualifying fault is found.
- Within **6 months**, the burden of proof is on the seller unless the fault is clearly linked to misuse, wear, accident damage, or lack of maintenance **after** purchase.

Mileage limitations, vehicle age and reasonable expectations will be considered when assessing any claim.

4. Inspection & Test Drive Declaration

The buyer confirms that before purchase they have:

- Viewed and inspected the car in person.
- Test-driven the vehicle (where permitted).
- Reviewed the service history, MOT record, documents and any advisory notes.
- Had the opportunity to ask questions, request clarification and arrange an independent inspection if desired.

The buyer confirms they are satisfied with the vehicle at the point of sale.

5. Warranty / Aftercare

Unless explicitly stated on the invoice, the vehicle is supplied with **no dealer warranty** beyond the buyer's statutory rights.

Any manufacturer or third-party warranty (if applicable) transfers subject to that provider's terms.

6. Modifications After Purchase

Any modification including tuning, remapping, aftermarket parts, or non-standard repairs **voids any right to claim that a later fault was pre-existing.**

7. Payment & Ownership

- Payment must be made in full before the vehicle is released.
- Ownership transfers only when cleared funds are received.

Deposits are **non-refundable unless explicitly agreed in writing.**

8. Test Drive Insurance Excess Agreement

Project 55 Motors provides temporary test-drive insurance only when stated. If the customer drives the vehicle during the test drive, the following excess applies:

Insurance Excess Amount: £ _____ 1100 _____

By signing below, the customer accepts liability for the insurance excess if the vehicle is damaged or involved in an incident during the test drive while they are driving.

<p>Customer Signature (Test Drive Excess): _____</p> <p>Date: ____ / ____ / _____</p>

9. Purchase Acceptance Signature

By signing below, the buyer confirms:

- They understand and agree to these terms.
- They are purchasing the vehicle in person.
- They have inspected and test-driven (where applicable) the vehicle to their satisfaction.
- They acknowledge that there is **no cooling-off period or distance-selling return right.**

<p>Vehicle Registration: _____</p> <p>Sale Price: £ _____</p> <p>Date of Sale: ____ / ____ / _____</p> <p>Buyer Name: _____</p> <p>Buyer Signature: _____</p> <p>Seller Signature (Project 55 Motors): _____</p>
